SUMMARY

With over 7 years of experience as a Full Stack PHP/Laravel Developer, I have a proven track record in developing high-quality and maintainable software for ecommerce platforms. My technical proficiency in PHP, Laravel, JavaScript, and AWS, coupled with my problem-solving skills and team collaboration abilities, have led to significant improvements in system efficiency and user engagement. One of my biggest career achievements is playing a key role in the success of a revolutionary ecommerce startup, enabling eCommerce merchants to build long-lasting customer relationships.

EXPERIENCE

Senior Full Stack PHP/Laravel Developer
